Use and Care Instructions

Model: RFA036-15WS

Product Description: Deluxe Dual Spray Faucet Aerator, 1.5 gallon per minute

Use Instructions:

Step 1: Remove existing faucet aerator.

Step 2: Deluxe Dual Spray Faucet Aerator is dual threaded. For an inside faucet fit use one washer. For an outside faucet fit, use two washers. Washers are included.

Step 3: To prevent leaks, we recommend wrapping pipe tape around the threads once.

Step 4: Attach aerator by screwing clockwise until tight. Use a cloth to protect the finish if using a wrench to tighten.
